Sir:

Responsive to the Office Action dated October 21, 2002, the following remarks are made:

In deference to the restriction requirement on pages 2 and 3 of the above-identified Office Action, applicants elect group II, claims 1-30, for prosecution at this time.

Applicants reserve the right to file a divisional application including the device claims of group I at a later date.

In view of the foregoing, the early issuance of an Action on the merits of claims 1-30 is solicited.
